

## Appendix D 20CPA : Turbidity Monitoring Report Form and Instructions

Part III.B.4.d.iii requires you to use the MDE eReporting system, or “[egov.maryland.gov/mde/npdes/Account/Login](http://egov.maryland.gov/mde/npdes/Account/Login)” system, to submit your report electronically. To be in compliance you must complete and submit the following form.

# Turbidity Monitoring Report Form

## Maryland Department of the Environment

Turbidity Monitoring Report Form for Dewatering Discharges to Tier II and Sediment Impaired Waters Under the 20CP NPDES Construction General Permit

### SECTION I. PERMIT INFORMATION

<b>Permit</b>	NPDES ID	
	MDRCQ07L4 and MDRCQ080L	
	Does this report fulfill turbidity monitoring report obligations of other operators that are covered under this permit for the same project site? <span style="float: right;"><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</span>	
	If yes, provide the NPDES ID number(s) for all other such operators at the same project site: _____	
	Have turbidity monitoring report obligations been fulfilled on your behalf by another operator that is covered under this permit for the same project site? <span style="float: right;"><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</span>	
	If yes, provide the NPDES ID number(s) for such an operator: _____	

### SECTION II. OPERATOR INFORMATION

<b>Operator Information</b>	Operator Name		
	Stormwater Maintenance LLC		
	Mailing Address		
	Street		
	913 Ridgebrook Rd. Suite 302		
	City	State	ZIP Code
Sparks	MD	21152	
County or Similar Government Division:			
Baltimore County			
Phone Number	Email Address		
410-785-0875	jr@mdswm.com		
<b>Preparer</b>	Complete if form was prepared by someone other than the certifier:		
	First Name	Middle Initial	Last Name
	Jim		Waters
	Organization		
Stormwater Maintenance LLC			
Phone Number	Email Address		
5713053904	jrw@mdswm.com		

### SECTION III. SITE INFORMATION

<b>Site Address</b>	Site Name		
	PP046 Simmons Acres		
<b>Site Address</b>	Street/Location		
	18130 Merino Dr		
	City	State	ZIP Code
	Accokeek	MD	20607
County or Similar Government Division:			
Prince George's County			

**SECTION IV. MONITORING QUARTER**

<b>Monitoring Quarter</b>	Identify monitoring quarter (select only one):	<input type="checkbox"/> Quarter 1 (January 1 – March 31)	<input checked="" type="checkbox"/> Quarter 3 (July 1 – September 30)
		<input type="checkbox"/> Quarter 2 (April 1 – June 30)	<input type="checkbox"/> Quarter 4 (October 1 – December 31)

**SECTION V. TURBIDITY MONITORING DATA**

<b>Turbidity Monitoring</b>	Discharge Point Description/ Name:				
	Was dewatering water discharged during the monitoring quarter? <input type="checkbox"/> Yes (Enter the data below) <input checked="" type="checkbox"/> No (Skip to Section VI)				
	Specific Week within Monitoring Quarter	Daily Maximum (NTU) <sup>1</sup>	Benchmark Threshold (NTU)	Notes	Daily Maximum exceeds Benchmark? <sup>2</sup>
	Week 1		150		<input type="checkbox"/> Yes <input type="checkbox"/> No
	Week 2		150		<input type="checkbox"/> Yes <input type="checkbox"/> No
	Week 3		150		<input type="checkbox"/> Yes <input type="checkbox"/> No
	Week 4		150		<input type="checkbox"/> Yes <input type="checkbox"/> No
	Week 5		150		<input type="checkbox"/> Yes <input type="checkbox"/> No
	Week 6		150		<input type="checkbox"/> Yes <input type="checkbox"/> No
	Week 7		150		<input type="checkbox"/> Yes <input type="checkbox"/> No
	Week 8		150		<input type="checkbox"/> Yes <input type="checkbox"/> No
	Week 9		150		<input type="checkbox"/> Yes <input type="checkbox"/> No
	Week 10		150		<input type="checkbox"/> Yes <input type="checkbox"/> No
	Week 11		150		<input type="checkbox"/> Yes <input type="checkbox"/> No
Week 12		150		<input type="checkbox"/> Yes <input type="checkbox"/> No	
Week 13		150		<input type="checkbox"/> Yes <input type="checkbox"/> No	
Week 14		150		<input type="checkbox"/> Yes <input type="checkbox"/> No	
<sup>1</sup> Report to the nearest whole number. Enter "N/A" if no dewatering discharge occurred during any particular week. <sup>2</sup> If "Yes," the operator must conduct follow-up corrective action pursuant to Part III.D.2. and document any corrective action taken in the corrective action log in accordance with Part III.D.4.					

VI. CERTIFICATION INFORMATION			
Certification Information	I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.		
	First Name	Middle Initial	Last Name
	Jennifer		Rauhofer
	Title		
	President		
Signature		Date (MM/DD/YYYY)	
		10/16/2024	
Phone Number	Email Address		
410-785-0875	jr@mdswm.com		

**General Instructions**

**Who Must Submit A Turbidity Monitoring Report to MDE?**

Sites covered under the Construction General Permit (20CP) that are required to monitor pursuant to Part III.B.4 of the permit must submit Turbidity Monitoring Reports consistent with the reporting requirements specified in Part III.B.4.d of the permit.

**When Must I Submit A Turbidity Monitoring Report to MDE?**

You must submit your report to MDE no later than 28 days following the end of each monitoring quarter. Submit a form for every quarter the site is active.

Monitoring Quarter #	Months	Reporting Deadline
1	January 1 – March 31	April 28
2	April 1 – June 30	July 28
3	July 1 – September 30	October 28
4	October 1 – December 31	January 28

**Completing the Form**

You must use the Departments ePermits system ([egov.maryland.gov/mde/npdes/Account/Login](http://egov.maryland.gov/mde/npdes/Account/Login)) to electronically submit your quarterly turbidity data, using the turbidity monitoring report form, in Appendix D. A copy of the filled out forms must also be kept on-site.

**Section I. Permit Information**

Provide the NPDES ID (i.e., NOI tracking number starting with "MDRC") assigned to the site for which this form is being submitted. Submit the form only for sites discharging dewatering water to a sediment-impaired water or a water designated as a Tier II water.

Indicate whether this report fulfills turbidity monitoring report obligations of other operators that are covered under this permit for the same project site. If the answer is yes, provide all relevant NPDES ID numbers.

**Section II. Operator Information**

Provide the legal name of the person, firm, public organization, or any other entity that is considered the operator of the site. See Part I.B.1 and Appendix A for the definition of "operator." Provide the operator's mailing address, phone number, and e-mail. The operator information in this Section should match the operator information provided on your NOI form.

If this form was prepared by someone other than the certifier, include the name, organization, phone number, and email address of the person who prepared this form.

**Section III. Site Information**

Enter the official or legal name and complete street address, including city, State, ZIP code, and county or similar government subdivision of the site. If the site lacks a street address, indicate the general location (e.g., Intersection of State Highways 61 and 34). The site information in this Section should match the site information provided on your NOI form.

**Section IV. Monitoring Quarter**

Indicate the appropriate monitoring quarter (Quarter 1, 2, 3, or 4).

Months	Monitoring Quarter
January 1 – March 31	1
April 1 – June 30	2
July 1 – September 30	3
October 1 – December 31	4

**Section V. Turbidity Monitoring Data**

Provide the discharge point description/name if you are discharging dewatering water from more than one point at the site. If you are discharging from only one point at the site, leave the spaces blank.

Submit Section V data for each dewatering discharge point. For example, if you are discharging dewatering water from two points at the site, then submit two Section Vs (one for each discharge point).

Indicate whether dewatering occurred during the monitoring quarter. If "Yes" enter the data in the data table. If "No" skip to Section VI.

For reporting purposes, a monitoring week starts with a Monday and ends on Sunday. A numerical value is assigned for each week, which is called a Week Number (e.g., 1, 2, 3 etc.).

Next, determine the daily maximum turbidity value for the corresponding monitoring week. The report has a notes field to indicate if multiple days caused an exceedance.

Enter the daily maximum turbidity values for the corresponding week into the table. Enter "N/A" into the table for the daily maximum turbidity if no dewatering discharge occurred during the week.

The benchmark threshold for turbidity for this permit is 150 NTUs.

For each week with a value for the daily maximum that exceeds the benchmark, select "Yes" or "No" in the table to indicate whether the daily maximum value exceeds the 150 NTU benchmark or the alternate turbidity benchmark (whichever is applicable). If "Yes", the operator must conduct follow-up corrective action pursuant to Part III.D.5 and document any corrective action taken in the corrective action log in accordance with Part III.D.3.

**Section VI. Certification Information**

Forms must be signed by a person described in Part II.A.8, or by a duly authorized representative of that person.

An unsigned or undated form will be considered incomplete.

**Revisions to a Submitted Form**

If you have previously submitted a form with an error, submit a revised form with the correct information. After discovering the error, submit the revised form as soon as possible. Make a notation on the revised form where the correction was made.

**MDE Modification to Appendix D**

Minor Modification "20CPA" was issued February 6, 2024 to correct typographical errors, consistent with 40 C.F.R. 122.63 and COMAR 26.08.04.10.
