**Reason for Revision**

We are requesting the approval to use the LOD from Stage 3 to provide safer access between bridges. We are also seeking permission to install super silt fence 1-12-1 and 1-12-2. This installation would allow us to be certain we are in proper erosion control compliance.

**NOTE: Any change in a contract quantity resulting from revision will not be basis for renegotiation of unit price by either party for any affected item(s)**
