## Introduction

This document provides a high-level overview of interfacing with the MDOT MVA's web interface for vehicle and driver records access.

To access MDOT MVA records, users must be authorized under the Driver Privacy Protection Act (DPPA) and have a subscription with Tyler Maryland (NICUSA, LLC) to the Interactive Driver & Vehicle Record Access service.

### Changes in this document:

- Addition of Inactivity Guidelines overview, page 7

## Overview

The Interactive Driver and Vehicle Record (IDVR) service is a web-based application that allows authorized subscribers to access Maryland driver and vehicle records in real time. The service is located at <https://egov.maryland.gov/mva/idvr/>

### Maintenance Windows

This service is unavailable to process requests during maintenance periods. Current Tyler Maryland (NICUSA, LLC) scheduled maintenance windows are:

- Nightly: 12:00 AM – 12:30 AM EST
- Sunday: 6:00 AM – 11:00 AM EST
- The second Saturday of every month from 11:00 PM until 5:00 AM EST
- Tuesday and Thursday 5:00 PM EST

## Setting up Your User Account

### Primary Account Holders

The primary account holder will receive login credentials via email from [noreply@maryland.tylerapp.com](mailto:noreply@maryland.tylerapp.com). After receiving the username, click on the link in the email to create a password. The primary account holder can begin record retrieval after the account has been successfully set up.

### Registered Account Users

The primary account holder for each entity may register additional users. Once submitted, these additional users will receive an invitation email from [noreply@maryland.tylerapp.com](mailto:noreply@maryland.tylerapp.com) to set up a user ID corresponding to the associated email address. Each registered account user will need to click on the link in the email to create a user ID and password. After the account has been successfully set up, the registered user can begin record retrieval.

#### ***Password Requirements:***

- Must be a minimum length of twelve (12) characters.
- Must contain at least one (1) upper case and at least one (1) lower case letter.
- Must contain at least one (1) digit or whole number.
- Must contain at least one of the following special characters: ! @ # \$ % ^ & \* ( )

## Account Maintenance

To comply with Maryland Department of Transportation Motor Vehicle Administration (MDOT MVA) and Driver's Privacy Protection Act (DPPA) guidelines, all users must verify their need for access every six months. The verification involves **two main steps**:

1. Primary Account Holder verifies account details and authorized users.
2. Each user (including the primary account holder) confirms their individual access.

#### **Important:**

- All users will receive an email notification from [noreply@maryland.tylerapp.com](mailto:noreply@maryland.tylerapp.com) when it's time to verify.
- The account will be suspended if the required verification steps are not completed by the stated deadline.
- The account can be reactivated once the primary account holder completes the verification process.

## Step 1: Primary Account Verification

### 1. Review All Users

- The primary account holder logs in to review the list of users.
- Remove or deactivate anyone who no longer needs access.

### 2. Confirm and Complete

- Once the user list is reviewed, select **Verify**, and complete the **Certification** to finalize the process.

A screenshot of a yellow rectangular box with a blue border. Inside the box, the word "Certification" is at the top. Below it is a green checkmark icon followed by the text "I certify to the Maryland Motor Vehicle Administration that all user information is accurate to the best of my knowledge." At the bottom of the box is a green button with the text "Certify User Information >>".

- The certification action triggers an **email** to each user for individual verification.

---

## Step 2: Individual User Verification

### 1. Check for the Verification Email

- Every user on the account (including the primary holder) receives a follow-up email from [noreply@maryland.tylerapp.com](mailto:noreply@maryland.tylerapp.com) requesting access confirmation.

### 2. Click the Verification Link

- Use the link in the email to confirm continued access.
- This link remains valid for **30 days**.
- Upon clicking the link the user will be routed to a confirmation page:

A screenshot of a web page titled "eGovernment Services Account Management" with the Maryland state logo. Below the title is a blue bar with a white arrow icon and the text "NICUSA Account Services". Underneath is a section titled "User Account Verification". At the bottom of this section is a light blue box with the heading "Verification Completed". The text inside this box says: "You have completed the requirement to verify your user account. If your user account was previously suspended, your access to applications available to you has been restored. The following information is included in this verification: Account Number: [redacted] Email Address: [redacted]".

### 3. Resend if Needed

- If the link expires, the **primary** account holder can resend a new verification email.

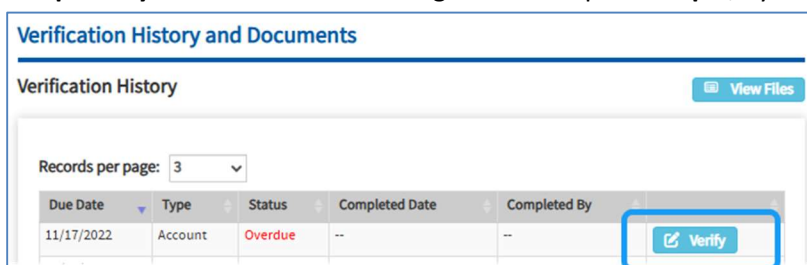

The screenshot shows a user management interface. At the top, there is an 'Add User' button and a status filter set to 'All'. Below this, it says 'Found 3 users total.' and 'Users per page: 10'. A search bar is on the right. The main part of the interface is a table with columns: First Name, Last Name, Username, Email, Primary Role, Date Created, Last Login, and Status. There are two rows of data: one for 'Connor' and one for 'Fozzie'. To the right of the table, there are two buttons: 'Edit' and 'Send Verification Email', both of which are highlighted with a blue box.

First Name	Last Name	Username	Email	Primary Role	Date Created	Last Login	Status
Connor				No	09/27/2023		Active
Fozzie	Bear	fozbear		Yes	07/21/2014	08/21/2024	Active

## Reactivation After Suspension

If the account is suspended due to incomplete verification:

- The **primary** account holder must log in and complete **Step 1**, by clicking on **Verify**, pictured below.

- Each user must then complete **Step 2**.
- The account will be reactivated once both steps are finished.

## Inactivity Guidelines

To keep accounts secure, there is a timeout for accounts that haven't been used in two years. If your account hasn't submitted a search or gotten a driver or vehicle record in two years, it will be suspended. The suspension will affect the entire account, not individual users.

If your account gets suspended and you want to keep using it, the primary account user should email [mdhelp@tylertech.com](mailto:mdhelp@tylertech.com) for help with reactivation.

## Record Fees

Effective September 1, 2024, the fee for non-certified vehicle and driver records is \$15.00 and \$18.00 per certified record, regardless of the number of pages in each record. **Government agencies are not charged for vehicle and driver records.** Like most states, Maryland charges a record fee for "NO DRIVER RECORDS FOUND" and "NO VEHICLE RECORDS FOUND." The MDOT MVA recognizes that a requester might enter a typo to cause a "no record found." However, in most cases, the requester requires confirmation that there is no record for an individual.

Tyler Maryland (NICUSA, LLC) emails subscriber invoices for the previous month's transactions at the beginning of each month. Payment is due upon receipt of the monthly invoice. Interruption to service, including suspension or

termination, may occur if Tyler Maryland (NICUSA, LLC) does not receive payment within 20 days of the invoice date. If payment is received following a termination, Tyler Maryland (NICUSA, LLC) determines eligibility for reinstatement.

## Vehicle Registration Record Search

### Vehicle Search by VIN

Search for and retrieve a Maryland vehicle record using the vehicle's VIN as the search criterion.

The screenshot shows a web form titled "Vehicle Record Search By VIN". A note indicates that an asterisk (\*) denotes a required field. There are two input fields: "1 VIN Number" and "2 Control ID". Below these fields is a section titled "Permissible DPPA use" with a list of 14 radio button options. At the bottom, there is a "Search" button and a note stating "You will be charged \$0.00 for this search."

## Support

Subscriber support options are available to users.

- User Guide - The electronic version of this user guide is available at <https://egov.maryland.gov/mva/>.
- Technical Support – Online form to submit support inquiries.

The screenshot shows the 'TECHNICAL SUPPORT' page. It has a header with a wrench icon and the title 'TECHNICAL SUPPORT'. Below the header, it says 'Request technical support using one of the following options:'. There are three main sections: 'Phone Support' with contact numbers (1-888-9MD-EGOV, 410-990-1090) and a phone icon; 'Live Help Chat' with a 'Start Your Chat' button and a headset icon; and 'Email Support' with a form to provide contact information (Name, Business Name, Email, Re-Type Email, Contact Phone, Description of problem) and a CAPTCHA. A 'Submit Support Request' button is at the bottom right.

## Refunds & Credits for Motor Vehicle Record Purchases

Tyler Maryland (NICUSA, LLC) periodically receives requests for credits/refunds from customers who have purchased electronic motor vehicle records. This document describes the criteria and guidelines Tyler Maryland (NICUSA, LLC) will follow for requesting credits/refunds from the MDOT MVA. Tyler Maryland's (NICUSA, LLC) policy will remain consistent with the MDOT MVA's mission to provide exemplary service by establishing specific criteria for issuing credits and/or refunds to customers who purchased motor vehicle records.

- A. Requests for credits/refunds must be submitted to Tyler Maryland (NICUSA, LLC), in writing at [mdhelp@tylertech.com](mailto:mdhelp@tylertech.com), and must include the following documentation:
  - a. The transaction date
  - b. The customer's account number
  - c. Any identifying numbers (i.e., Customer ID, tag, title #)
  - d. The reason for the request
- B. Tyler Maryland (NICUSA, LLC) will consider refunds/credits for requests requested and issued within the preceding three (3) months only.
- C. Tyler Maryland (NICUSA, LLC) will submit requests for credits/refunds to the MDOT MVA. The MDOT MVA will determine eligibility for refunds based on their established criteria and guidelines, transaction activity, and data reports. Transactions that MAY be eligible for a refund/credit include, but are not limited to:
  - a. Any charge incurred by the customer as a result of an application error is refundable.
  - b. Duplicate record searches entered and retrieved within two (2) business days.
  - c. Duplicate records inadvertently ordered on the same date.
  - d. Failed or invalid entries.
  - e. New customer transaction errors (limited to five (5) record searches within the first sixty (60) days of active service.) This allows the client a period of time to become familiar with using the system, the user manual, etc. An example of an error may include entering the same tag number repeatedly with different vehicle class keys, in an attempt to determine the appropriate vehicle class key.
  - f. The second and any subsequent record fees incurred for cross-referenced records. For example, a client enters a license number for Jane Doe and is charged a record fee. The client receives a message indicating the former license number is cross referenced to a new one (i.e., marital name change), and the client then enters the new license number to obtain the current record and is charged a second time. Only the second record fee is eligible for a refund.
  - g. Records that have been requested, but not received.
- D. Transactions that are NOT eligible for a refund/credit include, but are not limited to:
  - a. Record searches that result in no record found.
  - b. Record searches for driver/vehicle activity.
  - c. Record purchased and issued more than three (3) months prior to receipt of the refund request.
  - d. Incorrect data entries that result in a record being provided.
- E. Any refund/credit requests not noted above will be reviewed on a case-by-case basis by the MDOT MVA.

Credits approved by the MDOT MVA will be applied by Tyler Maryland (NICUSA, LLC) to the customer's CDB account. Approved refund/credit requests from customers will be credited directly to the customer invoice for the following month. Excess credits will roll over to additional month(s) until all credits are exhausted.
