Introduction

The Maryland Department of Transportation Motor Vehicle Administration (MDOT MVA) partners with Tyler Maryland (NICUSA, LLC.) to provide an online Interactive Driver and Vehicle Record Inquiry service. This guide shows you how to set up and use this service.

To use this service, you must meet two requirements:

1. Get legal permission to access driver records. The Driver Privacy Protection Act (DPPA) is a federal law that protects people's personal driving information. You need to prove you have a valid legal reason to access these records, such as for insurance, employment screening, or court cases.
2. Sign up for the Vehicle Record Batch Retrieval service. This is a paid subscription that lets you access large amounts of records from the Maryland Department of Transportation Motor Vehicle Administration (MDOT MVA).

In short: You need legal approval and a paid subscription to access Maryland's driver records through this service.

Changes in this document:

- Update to Record Fees, page 8.

Overview

The Interactive Driver and Vehicle Record Inquiry service is a web-based application that allows authorized subscribers to access Maryland driver and vehicle records in real time. The service is located at <https://egov.maryland.gov/mva/idvr/>

Maintenance Windows

This service is unavailable to process requests during maintenance periods. Current Tyler Maryland (NICUSA, LLC) scheduled maintenance windows are:

- Nightly: 12:00 AM – 12:30 AM EST
- Sunday: 6:00 AM – 11:00 AM EST
- The second Saturday of every month from 11:00 PM until 5:00 AM EST
- Tuesday and Thursday 5:00 PM EST

Establishing an Account

To register for an account to utilize the service, go to <https://egov.maryland.gov/register/> and complete the account registration process. After the account is approved by the MDOT MVA and the account credentials are established, you may log in to the Interactive Driver and Vehicle Record Inquiry service via the following URL:

<https://egov.maryland.gov/mva/idvr/>

Setting up Your User Account

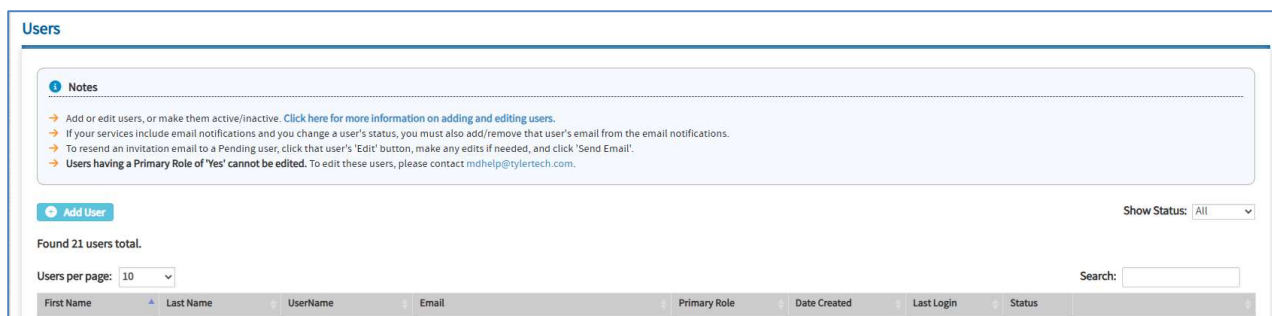

Primary Account Holders

Upon approval from the MDOT MVA, the primary account holder will receive login credentials via email from noreply@maryland.tylerapp.com. After receiving the username, click on the link in the email to create a password. The primary account holder can begin record retrieval after the account has been successfully set up.

Primary account holders are responsible for setting up the account, adding/removing users, deactivating users when needed, monitoring activity, and the use of the account. Per MVA guidelines, the primary user is responsible for verification of themselves and monitoring other users' verification semi-annually. This user is also responsible for ensuring the MVA Privacy Policy and NICUSA, LLC (Tyler Technologies) Terms of Service Agreements are kept up to date.

To add additional account users, manage the account, or perform other administrative functions, the primary account holder would go to: <https://egov.maryland.gov/Accounts/>

To add users, the primary account holder clicks on Add User, enters the name and email address of the person to add. Clicking Submit will send an invitation for the user to create a username and password to use the system.

Registered Account Users

When a user receives the invitation to create an account, they will receive an invitation email from noreply@maryland.tylerapp.com to complete setup by clicking on the link to create a username and password. After the account has been successfully set up, the registered user can begin record retrieval.

Password Requirements:

- Must be a minimum length of twelve (12) characters.
- Must contain at least one (1) upper case and at least one (1) lower case letter.
- Must contain at least one (1) digit or whole number.
- Must contain at least one of the following special characters: ! @ # \$ % ^ & * ()

Account Maintenance

To comply with Maryland Department of Transportation Motor Vehicle Administration (MDOT MVA) and Driver's Privacy Protection Act (DPPA) guidelines, all users must verify their need for access every six months. The verification involves **two main steps**:

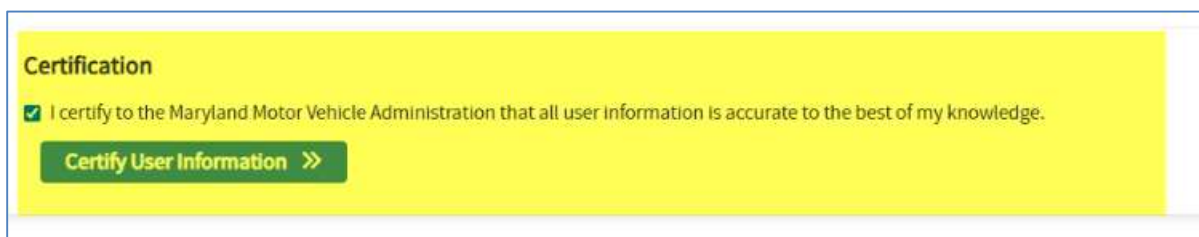

1. Primary Account Holder verifies account details and authorized users.
2. Each user (including the primary account holder) confirms their individual access.

Important:

- All users will receive an email notification from noreply@maryland.tylerapp.com when it's time to verify.
- The account will be suspended if the required verification steps are not completed by the stated deadline.
- The account can be reactivated once the primary account holder completes the verification process.

Step 1: Primary Account Verification

1. **Review All Users**
 - The primary account holder logs in to review the list of users.
 - Remove or deactivate anyone who no longer needs access.
2. **Confirm and Complete**
 - Once the user list is reviewed, select **Verify**, and complete the **Certification** to finalize the process.

The screenshot shows a yellow background for the 'Certification' step. At the top, the word 'Certification' is displayed. Below it, there is a green checkmark icon followed by the text: 'I certify to the Maryland Motor Vehicle Administration that all user information is accurate to the best of my knowledge.' At the bottom of the yellow box, there is a green button with the text 'Certify User Information >>'.

- The certification action triggers an **email** to each user for individual verification.

Step 2: Individual User Verification

1. Check for the Verification Email

- Every user on the account (including the primary holder) receives a follow-up email from noreply@maryland.tylerapp.com requesting access confirmation.

2. Click the Verification Link

- Use the link in the email to confirm continued access.
- This link remains valid for **30 days**.
- Upon clicking the link, the user will be routed to a confirmation page:

3. Resend if Needed

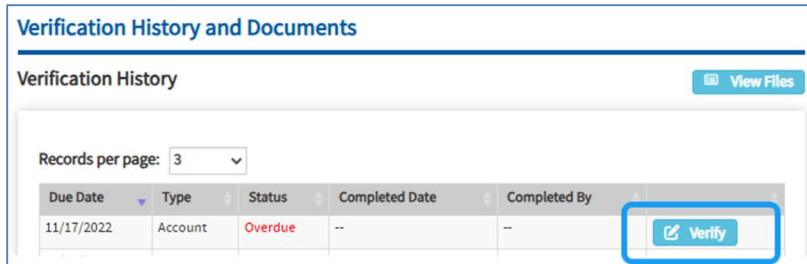

- If the link expires, the **primary** account holder can resend a new verification email.

Reactivation After Suspension

If the account is suspended due to incomplete verification:

- The **primary** account holder must log in and complete **Step 1**, by clicking on **Verify**, as pictured below.

- Each user must then complete **Step 2**.
- The account will be reactivated once both steps are finished.

Inactivity Guidelines

To keep accounts secure, there is a timeout for accounts that haven't been used in two years. If your account hasn't submitted a search or gotten a driver or vehicle record in two years, it will be suspended. The suspension will affect the entire account, not individual users.

If your account gets suspended and you want to keep using it, the primary account user should email mdhelp@tylertech.com for help with reactivation.

Record Fees

Annual Subscription Fee

Tyler Maryland charges a subscription fee of \$125.00 annually for access to any of the MDOT MVA services supported via the Tyler Technologies platform.

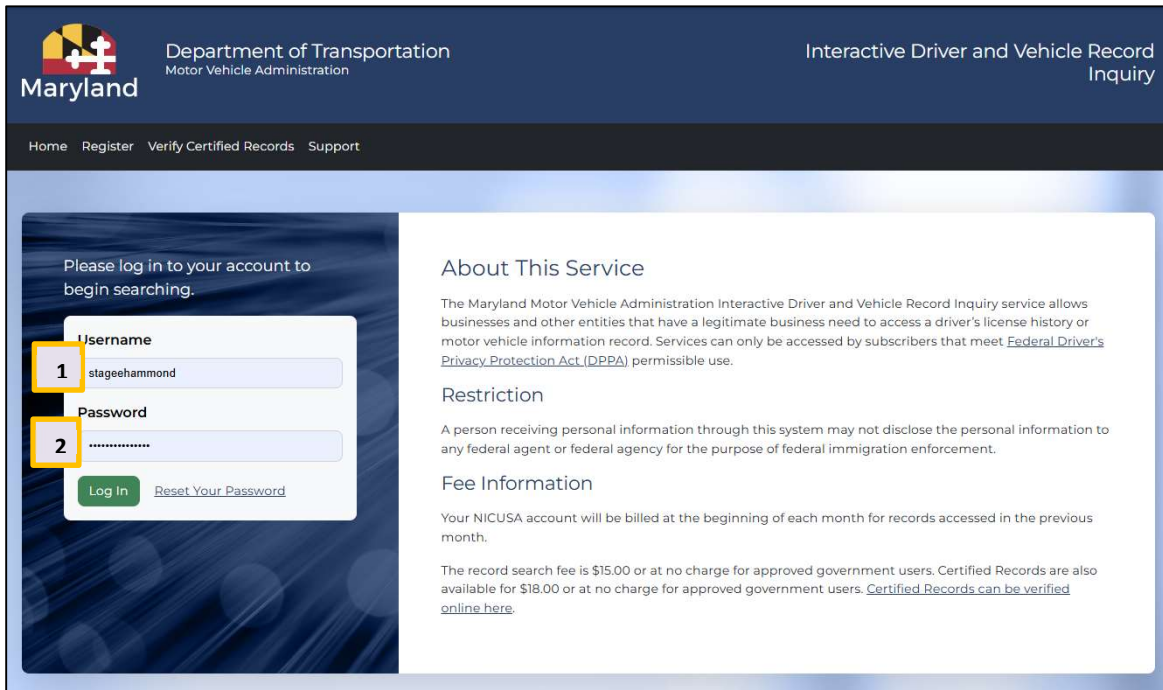

Transactional

The fee for non-certified vehicle and driver records is \$15.00, and \$18.00 per certified record, regardless of the number of pages in each record. **Government agencies are not charged for vehicle and driver records.** Like most states, Maryland charges a record fee for "NO DRIVER RECORDS FOUND" and "NO VEHICLE RECORDS FOUND." The MDOT MVA recognizes that a requester might enter a typo to cause a "no record found." However, in most cases, the requester requires confirmation that there is no record for an individual.

Tyler Maryland (NICUSA, LLC) emails subscriber invoices for the previous month's transactions at the beginning of each month. Payment is due upon receipt of the monthly invoice. Interruption to service, including suspension or termination, may occur if Tyler Maryland (NICUSA, LLC) does not receive payment within 20 days of the invoice date. If payment is received following a termination, Tyler Maryland (NICUSA, LLC) determines eligibility for reinstatement.

Using the Interactive Driver and Vehicle Record Inquiry Application

Log in and Search Options

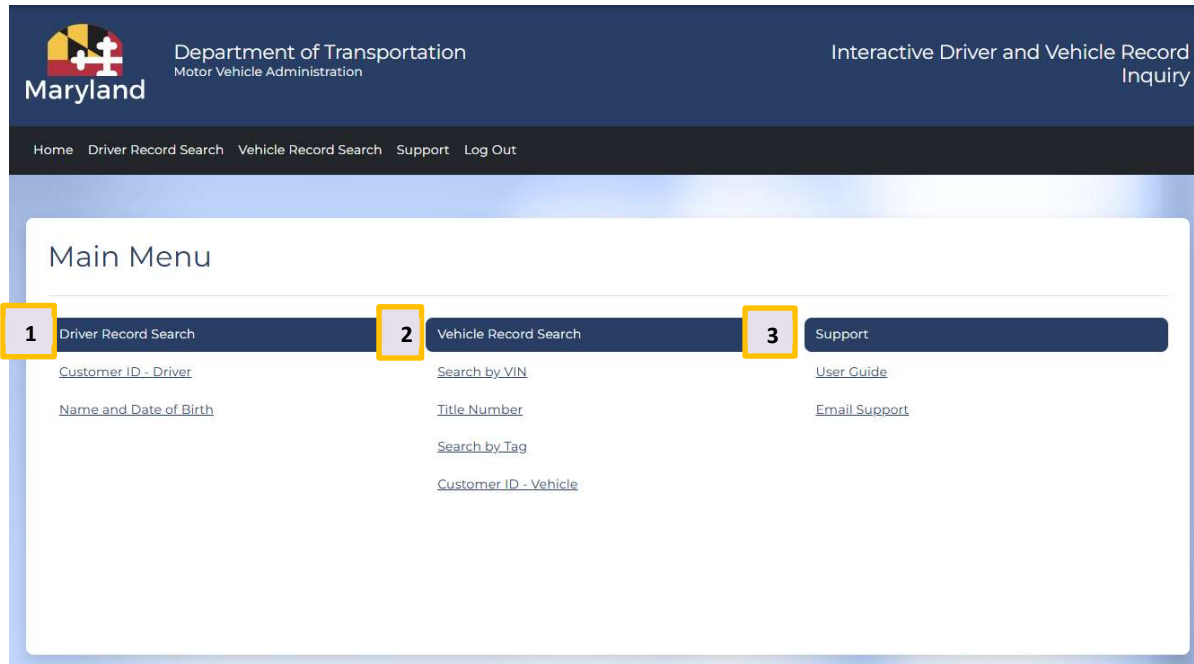

Note: Records are not saved in the system, and users can't go back and view records they've already looked up.

	Field Name	Description	Example
(1)	Username	Username associated with the user account	jdoe3456
(2)	Password	Password associated with the user account	Pa55word222!

Table 1: Log In fields

Transaction Selection Main Menu

Once logged in, options to search Maryland Driver and Vehicle records will display.

The user can select from the following options:

- (1) **Driver Record Search:**
 - a. Search by **Customer ID**
 - b. Search by **Name** and **Date of Birth** (*Using DPPA 13, this is not an option*)
- (2) **Vehicle Record Search:**
 - a. Search by **VIN**
 - b. Search by **Title Number**
 - c. Search by **Tag**
 - d. Search by **Customer ID or FEIN (Federal Tax Identification Number)**
- (3) Access **Technical Support** options:
 - a. Access **User Guide**
 - b. Access Customer Support by **Email**

Driver Record Search

Search by MD Customer ID or Driver’s License Number

This search lets customers look up either a Maryland Complete Driving Record or a 3-Year Driver Record using their Customer ID. Full driving history is only available to approved users, as allowed by law (DPPA) and for approved business use. The MDOT MVA reviews and approves access. For more details, please contact Tyler Maryland (NICUSA, LLC) customer support.

The screenshot shows a web form titled "Driver Record Search" with the subtitle "By Customer ID". Below the title is a text input field for the Customer ID, with a red question mark icon. A note below the field states "Enter the Customer ID (i.e.:MD12345678900)" and "* indicates a required field." Below this are two input fields: "Customer ID" (marked with a yellow box and number 1) and "Control ID" (marked with a yellow box and number 2). A note below the Control ID field says "Displays on record and billing history." Below the input fields is a section titled "Permissible DPPA use" (marked with a yellow box and number 3) containing three radio button options: (1) For use by any government agency in carrying out its functions., (6) For use by any insurer or insurance support organization., and (9) For use by a CDL employer or its agent or insurer. (The (9) option is selected). Below this is a section titled "Driving Record Type" (marked with a yellow box and number 4) containing four radio button options: Complete Driving Record, Non-Certified: \$0.00; 36-Month Driving Record, Non-Certified: \$0.00 (selected); Complete Driving Record, Certified: \$0.00; and 36-Month Driving Record, Certified: \$0.00. There is also a checked checkbox for "Include driver photo/signature, if available." with a citation below it. Below this is a section titled "Certified Record Notes" (marked with a yellow box and number 5) containing three bullet points. At the bottom left is a "Search" button, and to its right is the text "You will be charged \$0.00 for this search."

	Field Name	Description	Example	Length
(1)	Customer ID	(Required) The Maryland Customer ID for the driver’s record to be retrieved. No punctuation or spaces are allowed.	MD12345678900 A999999999999	13
(2)	Control ID	(Optional) An identifier tying the transaction back to the subscriber’s business purpose for accessing the record. A string value of up	N14-34543	32

	Field Name	Description	Example	Length
		to thirty-two (32) characters in length consisting of letters, numbers, spaces, or -. # @ special characters.		
(3)	Permissible DPPA Use	(Required) The DPPA Reason for this specific request.	N/A	N/A
(4)	Driving Record Type	(Required) Indicates what kind of driver record will be accessed during the specific search.	N/A	N/A
(5)	Include Driver Photo/Signature	Selection defaults based on eligibility. Selection must be made based on the need for a photo and signature.	N/A	N/A

Table 2: Driver Search by Driver's License Number Fields

Driver Record by Name Search

Driver's Record Search

By Name & Date of Birth

Enter identifying information of a driver. Enter more information to narrow your search. * indicates a required field.

Note
DPPA reason 13 is not eligible for Driver by Name search.

1 First Name **2** Middle Initial

3 Last Name **4** Birth Date

5 Zip Code **6** Control ID

Displays on record and billing history.

7 Permissible DPPA use

- (1) For use by any government agency in carrying out its functions.
- (2) For use in connection with matters of motor vehicle or driver safety and theft.
- (3) For use in the normal course of business by a legitimate business.
- (4) For use in connection with any Federal, State, or local court.
- (5) For use in research activities, and for use in producing statistical reports.
- (6) For use by any insurer or insurance support organization.
- (7) For use in providing notice to the owners of towed or impounded vehicles.
- (8) For use by any licensed private investigative agency or licensed security service.
- (9) For use by a CDL employer or its agent or insurer.
- (10) For use in connection with the operation of private toll transportation facilities.
- (11) For any other use in response to requests for individual motor vehicle records.
- (12) For bulk distribution for surveys, marketing or solicitations.
- (13) For use by any requester, with written consent of the individual.
- (14) For any other use specifically authorized under the law of the State that holds the record.

8 Driving Record Type

- Complete Driving Record, Non-Certified: \$0.00
- 36-Month Driving Record, Non-Certified: \$0.00

9 Include driver photo/signature, if available.
Citation "§ 12-111(b)(6)"

Search You will be charged \$0.00 for this search.

You can search for a Maryland Complete Driving Record or a 3-Year Driver Record using the driver's name. Full driving history is only available to approved users, as allowed by law (DPPA) and for approved business use. The MDOT MVA must review and approve access.

If your search returns a list of drivers, you will be charged for the search. The fee includes access to one detailed record. The list will show each driver's name, birth date, license number, city, zip code, race, and gender.

****(Using DPPA 13, Driver Search by Name is not an option)***

	Field Name	Description	Example	Length
(1)	First Name	(Required) The first name or first initial of the driver	John	
(2)	Middle Initial	(Optional) The middle initial of the driver	B	
(3)	Last Name	(Required) The last name of the driver	Doe	
(4)	Birth Date	(Optional) The birth date of the driver		
(5)	Zip Code	(Optional) The zip code associated with the driver's address	12345	5
(6)	Control ID	(Optional) An identifier tying the transaction back to the subscriber's business purpose for accessing the record. A string value of up to thirty-two (32) characters in length consisting of letters, numbers, spaces, or -. # @ special characters.	N14-34543	32
(7)	Permissible DPPA Use	(Required) The DPPA Reason for this specific request. <i>[DPPA 9 cannot utilize this search method.]</i>	N/A	N/A
(8)	Driving Record Type	(Required) Indicates what kind of driver record is to be accessed during the specific search.	N/A	N/A
(9)	Include Driver Photo/Signature	Selection defaults based on eligibility. Selection must be made based on the need for a photo and a signature.	N/A	N/A

Table 3: Driver's Record Search by Name fields

Results

A search by name may result in multiple driving records being found. The user should select the correct driving record from the list provided to view the detailed driving record.

Driver's Record Search

By Name & Date of Birth 

Multiple drivers were found. Please select the driving record from the list below. The detailed record is already included in the price of this search.

Support

Subscriber support options are available to users.

- User Guide - The electronic version of this user guide is available at <https://egov.maryland.gov/mva/>.
- Technical Support – Online form to submit support inquiries.
- Email Technical Support – mdhelp@tylertech.com
- Phone Technical Support – (888) 9MD-EGOV or 410-990-1090

A screenshot of the "TECHNICAL SUPPORT" form. The form is divided into two columns. The left column contains two options: "Phone Support" with contact numbers (1-888-9MD-EGOV, 410-990-1090) and a phone icon, and "Live Help Chat" with a "Start Your Chat" button and a headset icon. The right column is titled "Email Support" and contains a form with fields for "Your Name", "Business Name" (optional), "Email", "Re-Type Email", and "Contact Phone". There is a "Description of problem:" text area and a "Check this box:" section with a reCAPTCHA widget. A "Submit Support Request" button is at the bottom right.

Refunds & Credits for Motor Vehicle Record Purchases

Tyler Maryland (NICUSA, LLC) periodically receives requests for credits/refunds from customers who have purchased electronic motor vehicle records. This document describes the criteria and guidelines Tyler Maryland (NICUSA, LLC) will follow for requesting credits/refunds from the MDOT MVA. Tyler Maryland's (NICUSA, LLC) policy will remain consistent with the MDOT MVA's mission to provide exemplary service by establishing specific criteria for issuing credits and/or refunds to customers who purchased motor vehicle records.

- A. Requests for credits/refunds must be submitted to Tyler Maryland (NICUSA, LLC), in writing at mdhelp@tylertech.com, and must include the following documentation:
 - a. The transaction date
 - b. The customer's account number
 - c. Any identifying numbers (i.e., Customer ID, tag, title #)
 - d. The reason for the request
- B. Tyler Maryland (NICUSA, LLC) will consider refunds/credits for requests requested and issued within the preceding three (3) months only. Requests older than three (3) months are not eligible for a refund.
- C. Tyler Maryland (NICUSA, LLC) will submit requests for credits/refunds to the MDOT MVA. The MDOT MVA will determine eligibility for refunds based on their established criteria and guidelines, transaction activity, and data reports. Transactions that MAY be eligible for a refund/credit include, but are not limited to:
 - a. Any charge incurred by the customer as a result of an application error is refundable.
 - b. Duplicate record searches entered and retrieved within two (2) business days.
 - c. Duplicate records inadvertently ordered on the same date.
 - d. Failed or invalid entries.
 - e. New customer transaction errors (limited to five (5) record searches within the first sixty (60) days of active service.) This allows the client to become familiar with using the system, the user manual, etc. An example of an error may include entering the same tag number repeatedly with different vehicle class keys, to determine the appropriate vehicle class key.
 - f. The second and any subsequent record fees incurred for cross-referenced records. For example, a client enters a license number for Jane Doe and is charged a record fee. The client receives a message indicating the former license number is cross-referenced to a new one (i.e., marital name change), and the client then enters the new license number to obtain the current record and is charged a second time. Only the second record fee is eligible for a refund.
 - g. Records that have been requested but not received.
- D. Transactions that are NOT eligible for a refund/credit include, but are not limited to:
 - a. Record searches that result in no record found.
 - b. Record searches for driver/vehicle activity.
 - c. Records purchased and issued more than three (3) months prior to receipt of the refund request.
 - d. Incorrect data entries that result in a record being provided.
- E. Any refund/credit requests not noted above will be reviewed on a case-by-case basis by the MDOT MVA.

Credits approved by the MDOT MVA will be applied by Tyler Maryland (NICUSA, LLC) to the customer’s account. Approved refund/credit requests from customers will be credited directly to the customer’s invoice for the following month. Excess credits will roll over to additional month(s) until all credits are exhausted.

APPENDIX – Codes and Descriptions
