Interactive Driver and Vehicle Records (IDVR) Web Access

User Guide

Version 7.9

Last Updated: August 2024

Table of Contents

Introduction

This document provides a high-level overview of interfacing with the MDOT MVA's web interface for vehicle and driver records access.

To access MDOT MVA records, users must be authorized under the Driver Privacy Protection Act (DPPA) and have a subscription with Tyler Maryland to the Interactive Driver & Vehicle Record Access service.

Changes in this document:

- Revisions to driver record pricing, page 5

Overview

The Interactive Driver and Vehicle Record (IDVR) service is a web-based application that allows authorized subscribers to access Maryland driver and vehicle records in real time. The service is located at **https://egov.maryland.gov/mva/idvr/**

Maintenance Windows

This service is unavailable to process requests during maintenance periods. Current Tyler Maryland scheduled maintenance windows are:

- Nightly: 12:00 AM – 12:30 AM EST
- Sunday: 6:00 AM – 11:00 AM EST
- The second Saturday of every month from 11:00 PM until 5:00 AM EST
- Tuesday and Thursday 5:00 PM EST

Setting up Your User Account

<u>Primary Account Holders</u>

The primary account holder will receive login credentials via email from noreply@maryland.tylerapp.com. After receiving the username, click on the link in the email to create a password. The primary account holder can begin record retrieval after the account has been successfully set up.

<u>Registered Account Users</u>

The primary account holder for each entity may register additional users. Once submitted, these additional users will receive an invitation email from noreply@maryland.tylerapp.com to set up a user ID corresponding to the associated email address. Each registered account user will need to click on the link in the email to create a user ID and password. After the account has been successfully set up, the registered user can begin record retrieval.

Password Requirements:

- Must be a minimum length of twelve (12) characters.
- Must contain at least one (1) upper case and at least one (1) lower case letter.
- Must contain at least one (1) digit or whole number.
- Must contain at least one of the following special characters: ! @ # $ % ^ & * ( )

Record Fees

Effective September 1, 2024, the fee for non-certified vehicle and driver records is $15.00 and $18.00 per certified record, regardless of the number of pages in each record. ***<u>Government agencies are not charged for vehicle and driver records.</u>*** Like most states, Maryland charges a record fee for "NO DRIVER RECORDS FOUND" and "NO VEHICLE RECORDS FOUND." The MDOT MVA recognizes that a requester might enter a typo to cause a "no record found." However, in most cases, the requester requires confirmation that there is no record for an individual.

Tyler Maryland emails subscriber invoices for the previous month's transactions at the beginning of each month. Payment is due upon receipt of the monthly invoice. Interruption to service, including suspension or termination, may occur if Tyler Maryland does not receive payment within 20 days of the invoice date. If payment is received following a termination, Tyler Maryland determines eligibility for reinstatement.

Refunds & Credits for Motor Vehicle Record Purchases

Tyler Maryland periodically receives requests for credits/refunds from customers who have purchased electronic motor vehicle records. This document describes the criteria and guidelines Tyler Maryland will follow for requesting credits/refunds from the MDOT MVA. Tyler Maryland's policy will remain consistent with the MDOT MVA's mission to provide exemplary service by establishing specific criteria for issuing credits and/or refunds to customers who purchased motor vehicle records.

A. Requests for credits/refunds must be submitted to Tyler Maryland, in writing at mdhelp@tylertech.com, and must include the following documentation:
   a. The transaction date
   b. The customer's account number
   c. Any identifying numbers (i.e., Customer ID, tag, title #)
   d. The reason for the request
B. Tyler Maryland will consider refunds/credits for requests requested and issued within the preceding three (3) months only.
C. Tyler Maryland will submit requests for credits/refunds to the MDOT MVA. The MDOT MVA will determine eligibility for refunds based on their established criteria and guidelines, transaction activity, and data reports. Transactions that MAY be eligible for a refund/credit include, but are not limited to:
   a. Any charge incurred by the customer as a result of an application error is refundable.
   b. Duplicate record searches entered and retrieved within two (2) business days.
   c. Duplicate records inadvertently ordered on the same date.
   d. Failed or invalid entries.
   e. New customer transaction errors (limited to five (5) record searches within the first sixty (60) days of active service.) This allows the client a period of time to become familiar with using the system, the user manual, etc. An example of an error may include entering the same tag number repeatedly with different vehicle class keys, in an attempt to determine the appropriate vehicle class key.
   f. The second and any subsequent record fees incurred for cross-referenced records. For example, a client enters a license number for Jane Doe and is charged a record fee. The client receives a message indicating the former license number is cross referenced to a new one (i.e., marital name change), and the client then enters the new license number to obtain the current record and is charged a second time. Only the second record fee is eligible for a refund.
   g. Records that have been requested, but not received.
D. Transactions that are NOT eligible for a refund/credit include, but are not limited to:
   a. Record searches that result in no record found.
   b. Record searches for driver/vehicle activity.
   c. Record purchased and issued more than three (3) months prior to receipt of the refund request.
   d. Incorrect data entries that result in a record being provided.
E. Any refund/credit requests not noted above will be reviewed on a case-by-case basis by the MDOT MVA.

Credits approved by the MDOT MVA will be applied by Tyler Maryland to the customer's CDB account. Approved refund/credit requests from customers will be credited directly to the customer invoice for the following month. Excess credits will roll over to additional month(s) until all credits are exhausted.
